Local Intelligence.

The slight
Norther yesterday caused some blue noses, as well as red ones.

A train
Of fifteen immigrant wagons, all the way from Arkansas, were in Waco yesterday.

The Huss Drivers
Had a little unkindness in East Waco, yesterday, much profanity and but little blood were the results.

One Hundred
Bales of cotton were shipped, and five car loads of general merchandise, and four of lumber received.

Conductor Cox
Brought up a large number of passengers yesterday, all strangers, who come here to settle.

Died,
In Graubury, on Sunday morning, Feb. 8, 1874, Mrs. MAGGIE SKIDER, wife of Wm. W. Skider, in the 23d year of her age.

A Grange
Of the Patrons of Husbandry was organized recently in Brenum. See our letter from "Granger" in another column.

We are
Determined to reform our carriers, and will be greatly obliged if our patrons will report failures to get their papers promptly to this office.

The County Court
Met yesterday, and the lists of grand and petit juries were drawn. We will give the lists as soon as they are properly prepared.

John S. Moore,
Our efficient and polite City Marshal, complains that business in his department is exceedingly dull. We dislike to rejoice at the woes of another, but in this instance we do most heartily.

There has
Been a very considerable falling off in the general business of Waco, for the last few days, which is accounted for, by the fact that the farmers are all busy at home, preparing for another crop.

"The Solution"
Of a vexed question, an immense roll of manuscript, which we have not had the courage to attack, was picked up in the streets yesterday. The owner can have it by calling at this office.

Hamilton
County was well represented in this city yesterday. Some of those same "up country" fellows look and talk like right intelligent fellows to be sure. We are glad to hear of the continued prosperity of Hamilton county.

Some of the Guests
At the McClelland Hotel enjoyed a mince pie yesterday, all the way from Wisconsin. Our young friend Brad, head of mess No. 8, (the jolliest set of fellows in Waco) says it was sent to him Express, as he invested \$4.30 on it. Good enough.

We have
Been frequently placed under great obligations to Gen. Sul Ross, our new Sheriff, for items of great interest to our readers, and for once in a while a good joke. The poor fellow "hadn't any" yesterday. Hence the dearth in our local columns.

Simon Trice
Has abandoned the west side of the river in consequence of the very general disapprobation of his interest in having the corporation hog law repealed. Simon says the grumblers about his "goobers" next hog killing time.

Attention, K. Night!
The officers and members of Waco Lodge No. 4, Knights of Pythias, are hereby notified to meet at their Castle Hall, this evening at 7:30, sharp.
By order, J. S. MOORE, C. C.
WILLIAM LAMBERT, K. of R. & S.

Our Editorial
Correspondence will be found as usual this morning, very interesting. Our "old man" does sit out the Austin matter with much patience. We hope to be able to furnish our readers much interesting matter from his ready pen, during his stay at the Capital.

Measures, Nichols & Page,
The enterprising boot and shoe merchants on Austin Avenue, are busy with additions and improvements, preparatory to the reception of a large and fine spring stock.

A Petition
Will be presented to the City Council Thursday night, numerous signed, to retain in his present position, as City Sexton, Mr. Wm. Kinney, the present incumbent. We have glanced over the names signed, and do not hesitate to say that it is the will of the people of Waco that he be retained.

Personal.
We acknowledge the courtesy of a call from a brace of young Georgia farmers, Mr. Harrison and Mr. Hooper, who come to Texas to work. They will rent this year, and probably buy next, if they like the promise.

We had the pleasure of meeting Dr. Middlebrook, of White Rock, yesterday.
The Number
Of strangers from the western and north western States who are at present visiting this city and the surrounding country, is very large. The apprehensions of our Radical friends, that the election of a Democratic Governor and an entire State administration, would keep out of our State this class of immigration, may well be dismissed.

A Number
Of immigrants from Illinois are now visiting the counties West of us, with a view of buying homes. Let them come, we have rich lands at a cheap figure; plenty of wood and water, provisions and forage, and Granges are being organized in every neighborhood. What more can a Western farmer desire?

The Races on Thursday
Will be run over the East Waco course. The following are the entries:
John A. Grant enters "Bull Dog."
John Kelson, "White Prince," to be run four hundred yards for \$200 a side.
William Kasse enters "Wild John."
A. J. Buchanan, "Bettie Martin," to be run four hundred yards for \$200 a side. There will be good sport and the boys will be there.

AT AUCTION
Of private sale, a complete assortment of Sewing Machines, Wagons, Horses, Mules, Dry Goods, Notions, Boots, Shoes, Hosiery, and the largest line of Table and Pocket Cutlery of any house in the city. Persons wanting any goods in his line would do well to give him a call.
A. J. PIERCE, Auctioneer.

REMOVAL.
E. A. Sturgis has removed to his elegant store, on Bridge street, where he will keep the largest stock of General Merchandise in the city. I return my grateful thanks to my many customers for past favors, and shall ever be thankful to serve them in my new store. Twenty Bales of Bagging and One Hundred Bundles of Ties just received.
E. A. STURGIS.

THROW NOT PEOPLE'S FAULTS
In their teeth, for there are few teeth that have not faults of their own. There is but one way to rectify them without spot or blemish, and that is by the daily use of the best dentifrice in existence, fragrant, Sodont, cool, refreshing and agreeable.

PRATT'S ASTRAL OIL.
Absolutely safe. Perfectly odorless. Always uniform. Illuminating qualities superior to gas. Burns in any lamp without danger of exploding or taking fire. Manufactured expressly to displace the use of volatile and dangerous oils. Its safety under every possible test, and its perfect burning qualities are proved by its continued use in over 300,000 families.
Millions of gallons have been sold and no accident—directly or indirectly—has ever occurred from burning, storing or handling it. The immense yearly loss to life and property, resulting from the use of cheap and dangerous oils in the United States is appalling.
The Insurance Companies and Fire Commissioners throughout the country recommend ASTRAL as the best safeguard when lamps are used. Send for circular.

LUCKETT'S LINIMENT—LIVING WITH NESSSES.
BLUE RIDGE, Falls County Texas, August 16, 1873.
Mr. S. M. Lockett:
Dear Sir—I have been sorely afflicted with Rheumatism for several years, so much so that at times I have not been able to walk without the greatest pain for two and three months together. I have tried every remedy, and been attended on by several good physicians, but have never experienced any relief until I was induced to try "Lockett's Liniment." After using three bottles I find myself entirely well, and I cheerfully give this to the public, hoping that others may see this and profit by my experience, and speedily seek relief in this truly wonderful medicine.

WOMAN'S HEALTH.
It is a lamentable fact, that from causes not generally understood, female suffering appears to be on the increase. The sweet young girl just entering into womanhood soon becomes pale, feeble, emaciated, listless, with headaches, pains and aches, loss of appetite, palpitation of the heart, cold feet and hands, and appears to lose that youthful vim and sprightliness so much admired. The middle-aged married lady is no less exempt from some troublesome annoyances. She continually grunting and fretting with pains and aches, her recreations are all impaired, her energies are lost, she forces herself into society, she "sours" on almost everybody, her health slowly declines until she becomes a mere drone in her own household. And she at the "turn of life" is no stranger to suffering peculiar to her sex at that age. Habits, climate and inattention surely bring about THESE SAD RESULTS that are now hurrying thousands of females, old and young, to untimely graves. Exercise your reason, your judgment, and procure Dr. Dromgold's English Female Bitters, as they will cure the above female troubles in an incredibly short time. They are prepared by an experienced physician, and is the most powerful iron and vegetable tonic known to the medical profession. They are handsomely put up in large bottles and sold by druggists and merchants everywhere. Address,
